The Association shall have the right, after thirty (30) days notice (or without notice in the event of an emergency), to cause to be repaired or otherwise maintained the exterior of any Improvement, Recreational Vehicle, Park Model, or Lot which the Association determines in its sole discretion is in violation of this provision. No notice shall be required in order for the Association to cut weeds determined by the Association to be unsightly or unsafe. All costs and expenses so incurred by the Association shall be assumed by the Owner, and shall be paid to the Association on demand. Any sum not paid by an Owner shall be deemed and treated as a Special Assessment and may be collected in a like manner as delinquent Assessments.

- 3.19 Sewers. For the purpose of this declaration the term sewer or sanitary sewer shall be deemed to include sewer lines available at each Lot and certain locations in the Common Areas. Accordingly, there is hereby created, for the benefit and use of the Association, an easement upon, across, under and over the Lots for ingress and egress, and for installation, maintenance, replacing and repairing of said sewer lines. - 9.07 Supplementary Assessments. In addition to the Regular Annual Assessments, the Association may levy in any fiscal year, or portion thereof, a Supplemental Assessment applicable to that year, or portion thereof, only, for the purpose of defraying either (1) Common Expenses which are expected to exceed or which in fact exceed Common Expenses, including, but not limited to, administrative expenses, expenses associated with holding annual or special meetings and similar expenses which were previously budgeted under a Regular Annual Assessment during any given fiscal year, or (2) for the purpose of defraying, in whole or in part, the cost of any construction or replacement of a capital improvement upon the Common Areas not covered elsewhere in this Declaration, including the necessary fixtures and personal property necessarily related thereto. To the extent any proposed Supplementary Assessment exceeds One Hundred Dollars (\$100.00) times the total number of Lots, such

Supplemental Assessment must have an affirmative vote of at least sixty percent (60%) of a quorum vote cast by the Association Members.

- 9.08 Special Assessments. In addition to Regular Annual Assessment and Supplementary Assessments, the Association may levy from time to time Special Assessments against a particular Owner and Lot for the purpose of collecting expenses, costs, attorney's fees and other amounts permitted hereunder to be chargeable to an Owner or a member of his family, or his tenants, guests, licensees or invitees, the cost of such maintenance, replacement or repair shall also be added to and become part of a Special Assessment to which such Owner's Lot shall be subject.
- 9.09 Inadequate Assessments and Increase in Assessments. Each Owner shall be personally responsible for becoming familiar with the financial records and condition of the Association and the costs of maintaining, repairing, and operating the Property and shall not rely on the representations of the Association or any other person as to whether Assessments are or will be sufficient to cover past, present or future obligations of the Association.
- 9.10 Uniform Rate of Assessment. Both Regular Annual Assessments and Supplementary Assessments must be fixed at a uniform rate for all Lots and may be collected on a quarterly or annual basis, as determined by the Association.
- 9.11 Assessment Status Certificates. The Association shall, upon demand, and for a reasonable fee furnish a certificate signed by an officer of the Association setting forth whether the Assessments on a specified Lot have been paid and the current amount owing, if any.
- 9.12 Interest on Delinquent Assessments. Any Assessments not paid shall accrue a late fee determined from time to time by the Association for each month such Assessment is not paid. In addition, all delinquent Assessments, including applicable late fees, shall bear interest at the highest rate allowed by current Arizona Revised Statutes. All late fees and interest on delinquent Assessments shall be considered Assessments for all purposes herein.
- 9.13 Effect of Nonpayment of Assessments. In the event of a default in payment of any Assessment, the Association may enforce each such obligation in any manner provided by law or in equity, or without any limitation of the foregoing, by any or all procedures described herein.
- 9.14 Enforcement by Suit. The Association may cause a suit at law to be commenced and maintained in the name of the Association against an Owner or Member to enforce each such assessment obligation without waiving any lien rights it may have against said Owner's Lot.
- 9.15 Action for Future Assessments. Any suit or action brought by the Association against the defaulting Owner shall, at the election of the Association, extend to all claims and demands against the defaulting Owner, whether matured or unmatured, and it shall not be necessary for the Association to bring additional

suits or actions to collect claims not matured at the time of filing of such suit, but maturing subsequent to the filing thereof, while such action is pending.

- 9.16 Evidence of Lien. It shall not be necessary to the validity, enforceability or binding effect of any lien imposed by authority of this Declaration that it be evidenced by a recorded document other than this Declaration. It shall be sufficient to establish the amount of the lien in a suit for collection, lien foreclosure or other action that the complaint describe the unpaid assessment(s) with particularity and that a notice of pending litigation (lis pendens) in the usual form be recorded. Notwithstanding other provisions of this section, a certificate stating the amount of any unpaid assessment, acknowledged and recorded by an officer or designated agent of the Association, shall be prima facie evidence of the amount of the lien.
- 9.17 Priority of Lien. Liens imposed on any Lot by this Declaration shall have the same effect and priority as a lien for real property taxes or other liens imposed for the common welfare and benefit of the Owners, and as such shall without necessity of recording be superior to all mortgages or other conveyances. Notwithstanding the preceding sentence, the liens imposed on the Property by this Declaration shall be subordinate to the lien of any bona fide first-position purchase money mortgage or deed of trust. Sale or transfer of any Lot shall not affect the Assessment lien. However, the sale or transfer of any Lot pursuant to mortgage foreclosure, trustee sale, or any proceeding or conveyance in lieu thereof to enforce or extinguish a bona fide, first purchase money mortgage or deed of trust, shall extinguish the lien of such Assessment as to payments which become due prior to such sale or transfer. No sale or transfer, including the sale or transfer of any Lot pursuant to mortgage foreclosure, trustee sale, or any proceeding or conveyance in lieu thereof to enforce or extinguish a bona fide first purchase money mortgage or deed of trust, shall relieve such Lot from liability for any Assessments thereafter becoming due.
- 9.18 Enforcement of Lien. Any such lien may, at the election of the Association, be foreclosed by appropriate action in court in the manner provided by law for the foreclosure of a realty mortgage or by the exercise of a power of sale in the manner provided by law under a trust deed, as set forth by the laws of the State of Arizona, as the same may be amended. In the event of Owner its reasonable attorneys' fees, expenses, court costs, title search foreclosure, the Association shall be entitled to recover from the defaulting fees, interest and all other costs and expenses incurred in connection with the foreclosure as determined by the court or negotiated settlement. Each Owner, by becoming an Owner of a Lot, hereby expressly waives any objection to the enforcement and foreclosure of this lien in this manner.
- 9.19 Additional Powers of Association. The Association shall have the power to bid in at any foreclosure sale and to purchase, acquire, hold, lease, mortgage, and convey any Lot.

- 10.05 Delayed Approval. If the Architectural Review Committee fails to approve or disapprove plans and specifications properly submitted for its approval within thirty (30) days after delivery, approval by the Architectural Review Committee shall be deemed to have been given unless, within the thirty (30) day period one or more members of the Architectural Review Committee gives written notice to the Owner of the need for an additional fifteen (15) day period to study the proposed request.

- 10.11 Remedies. The Association may enforce the provisions of this Part 10 by means of any remedy available at law or in equity, including, without limitation, the right to seek specific performance or to enjoin the continuance of the noncompliance with or violation of said provisions. The failure of any such remedies to be employed upon any one or more occurrences giving rise to such remedies shall not be a waiver of the right to employ such remedies.
